The Mattapoisett Historical Museum and Carriage House is now open for the summer, featuring a wonderful display of vintage clothing from the 19th and 20th century. The Exhibit Committee has outdone themselves in presenting this special exhibit throughout the museum.

Council and became a member of the football and baseball junior high school teams. Robert also joined the Boy Scouts and he became a very well-known young boy in the area.

Robert B. Parker graduated from Grade 9 at the Mattapoisett Junior High School in 1947 and spent his high school years at Dean Academy, then he went on to Colby College and other colleges and universities where he taught writing. His writing abilities became foremost in his life.

On Tuesday, June 22, Mr. Parker — author of renowned mystery novels including the ever-popular "Spenser" series, which spawned the *Spenser: For Hire* TV series, and newer creations Jesse Stone and Sunny Randall — came to the area to enjoy a reunion with his classmates, teammates, and friends whom he had not seen for 57 years.

Everyone joined together at Matt Gamache's Courtyard Restaurant in Fairhaven for a very pleasant afternoon of recalling memories, chatting and eating. During his visit, Mr. Parker also spent some time in Mattapoisett with his wife, Joan, showing her where he had spent the adolescent years of his life.

Among the guests in attendance were Mr. Parker's eighth grade English teacher, Ms. Rheta Markey Tuttle, who was very proud of the accomplishments of her former student. Mr. Parker has written 46 books to date, some of which have made it to the big screen and TV. When he was in the eighth grade at Mattapoisett's Center

Getting Educated

By Virginia Morgan

Then

An education may be obtained in many ways and in many different places. Such a place was described in 1907 when the Honorable J.W. Hammond of the Supreme Judicial Court, Boston, spoke at a program at the Mattapoisett Congregational Church celebrating the town's Semi-Centennial.

His speech included, in part, "Educational Institutions of small towns in New England are the talkative and social denizons of the village. For the men of the village, not loafers, but honest, intelligent artisans,

events. For the men, sports events occupy much of their conversation, but the social character of the exchange is the same — getting an education. I am sure there are other such gathering places throughout New England.

Recap

As the Justice said in 1907, in part, "Mattapoisett sits today on her beautiful open harbor; the waters of Buzzards Bay roll in as blue as ever; the alewives still go up the river each April; there is still good fishing in the bay and the shellfish on the shore. The town is full of pleasure-seekers who play tennis, golf, drive, sail or fish. And all along the shore from Aucoot Cove to the Fairhaven line, each year sees some new homes built for those who seek rest in close touch with nature and the ocean. Mattapoisett: the place of rest; the past is secure. God grant that whatever happens in the future, the standard set by our ancestors may be proudly maintained."

These comments made so many years ago could just as well have been made today about Mattapoisett.

Interest Rate Update

It looks like we have hit the bottom with interest rates. The Federal Reserve is expected to raise interest rates twice this summer so I thought a quick general review on how that will affect different types of investments would be timely.

First, the types of investments that are directly affected are those that bear interest. Some examples include:

- **Bonds of all types; treasuries, municipals, corporate (Saving bonds are the only bonds that are not affected)**
- **Preferred stock**
- **REIT's (Real Estate Investment Trusts)**
- **Utility Stocks**

Some of these will be affected more than others by increasing interest rates but all will be affected.

These types of interest bearing investments have been the best place to be for the last 4 years but everything is about to change. The reason they have done so well is because interest rates have fallen. Now as interest rates rise, almost everything that has been given over the last four years could be taken away.

What can you do to protect yourself from losses?

A) Spend a great deal of your time going over the tax code, read all the financial books, magazines, newsletters and such to make sure you are taking advantage of all the tax saving strategies available to you, or

B) Spend one hour with me, because I spend my time doing the above.

You owe it to yourself to take advantage of the **ONE HOUR, NO COST, NO OBLIGATION MEETING** that we offer. Nothing will be sold and you will not be asked to purchase anything.

After signing the necessary bills and vouchers for the week, the board voted to approve the minutes of the June 15 meeting and the Executive Session minutes of June 15.

The board then voted to:

• Approve three special one-day alcohol licenses for Danny Depina for the August 15 clambake at the Knights of Columbus, the annual Holy Ghost Feast on July 24 and July 25, and the Holy Ghost Clambake on August 8 — both to be held at the Holy Ghost Grounds on Park Street.

• Appoint William Nicholson, Barry Denham, and a designated Finance Committee (FinCom) member to the Mattapoisett River Valley Water District Committee.

• Grant a Hawkers and Peddlers License to Jose Silvestre of 77 Holland Street, South Dartmouth, for his ice cream truck to sell ice cream, soda, chips, and other items throughout beach locations and the town wharf. Mr. Silvestre has been getting this license for his truck for the last three years.

• Appoint Frederick Best as a member of the Buzzards Bay Action Committee (BBAC). Mr. Best is an Assistant Deputy Harbormaster for the town.

At 7:05 pm the board met with Judy Mooney, former Town Accountant and Chief Financial Officer for the town, to present her with a beautiful plaque and offer their sincerest thanks for all the service she has given to the town during the past years. They all agreed that she would be sorely missed.

At 7:15 pm the board met with Charlie Duponte and Brett Moreau of the Tree Planting Committee. They reported that money had been donated and the Ned's Point area was chosen for planting a grove of halka locust trees for shade in the picnic area. These are slow-growing trees with small leaves ideally suited for that area. Elm trees which are disease-resistant are also planned for

• Treasurer/Tax Collector Interviews were slated to be held on Thursday, July 8 from 1:00 pm to 3:00 pm at Town Hall. There are five pending applicants for the position.

• A Conflict of Interest meeting is scheduled for employees on Tuesday, July 20 at 6:00 pm at Town Hall before the scheduled Selectmen's Meeting at 7:00 pm that night. After some discussion from the Selectmen, it was decided that this was a very important informational meeting for town employees with representatives from Boston and should take longer than an hour. It would also be advisable to include employees of the Towns of Rochester and Marion in the meeting. Mr. Botelho agreed to reschedule the meeting and inform the other towns as to the time and place. It has been a few years since the last such meeting.

Town Administrator Michael J. Botelho then asked the board's approval to seek an opinion from the State Ethics Commission for an exemption allowing Selectman Jordan C. Collyer to continue to serve on the Fire Department. The board so approved the request.

In addition, Mr. Botelho had received an opinion from Town Counsel that it would not be a Conflict of Interest for Selectmen Lombard and Selectman Collyer to vote on funds for sewer projects which affected them.

Under outgoing correspondence, the board sent:

• Letter of Appreciation to Paul Milott for his service on the Computer Advisory Board (CAB).

• Reorganization Letters to various Town Boards.

• Letter to the School Committee concerning the Barstow Fund.

There being no further matters to come before the board in Open Session, at 7:40 pm they voted unanimously to go into Executive Session to discuss contract

July is Here!! So are the Big Bass out at the Islands. The summer has finally begun its annual sojourn. With it the fish have also taken up temporary residence with us. June has been one of the most productive months for Striped Bass in recent memory. And the action remains better than average. We have been taking Bass consistantly over 30 lbs with an occasional fish near 40 lbs. "Quick Hole" continues to live up to its reputation as one of the great Striped Bass locations in the world. Also, "Nomands Island" which is bathed in the waters of the cool Atlantic, will begin to be a daily target. As the "Dog Days" of summer approach "Slammer Blues" and big Bass can be found off the Eastern Shore.

Fluke fishing continues to be excellent on "Lucas Shoal" with guaranteed action for these tasty fish. Scup and Sea Bass can be found all over Buzzards By around the rock piles. This is great fishing for the kids and exceptional table fare.

Join us each week in The Wanderer for the latest local conditions, fishing action and news from the water.

Rochester Selectmen's Meeting

July 12, 2004

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, July 12 at 6:30 pm by Chairman Gary Laboa in the meeting room of the Rochester Senior Center on Dexter Lane. Also present were Selectman Richard Nunes, Selectman Bradford Morse, Town Administrator James Huntoon, and Administrative Assistant Veronica Lafreniere.

The board first unanimously voted to go into Executive Session with Town Counsel Blair S. Bailey to discuss pending litigation matters. Upon returning to Open Session at 7:00 pm, there was a crowd of over 100 people gathered in the meeting room to discuss the sole topic on that evening's agenda: recent criminal allegations and safety issues at the Knight and Look Campground. The vast majority of those present were campers and long-term residents of the facility — both past and present — who came before the Selectmen to show their support for the campground and co-owners Janice and Donald Look.

The town recently sought a preliminary court injunction forcing Knight and Look Campground to cease operation until they obtain proper permitting from the

In addition, several recent incidents at the facility forced Police Chief Paul H. Magee to request in writing that the Board of Selectmen take immediate action in the interest of public safety, to wit:

• A domestic dispute involving "drugs and a lot of alcohol" on June 28 to which both Rochester and Marion police officers responded;

Excessive Thirst

My dog is a 10 year old mutt. He has been drinking a lot more water for the past 6 months. At first I thought is was because the house was dry in the winter but now I'm not so sure. Is this a problem?

A change in the water consumption habits of either a dog or cat can be an important sign of illness. There are about 15 different disorders such as diabetes, kidney disease, and some hormonal problems that may be present themselves initially as increased thirst or excessive urination. It is very important to discuss a change in your pet's water consumption with your veterinarian as a delay in diagnosis may result in more severe illness.

ployee, made for possession of illegal substances by undercover drug agents on July 9.

Chairman Laboa made it clear that although this wasn't a formal public hearing, just an "informational meeting," he was willing to listen to the campers' concerns even though "there is not a decision being made by the Board of Selectmen tonight."

"We're going to take some input, but hopefully limit it to reasonable input," Chairman Laboa said. "We acknowledge there are a lot of people here tonight in support of the campground. But please be aware that there is pending litigation ... (so) if there are any questions on that, I will defer to Town Counsel."

Camper Wanda Powers of Middleboro began by presenting the board with a signed petition from all the campers in opposition to the closing of Knight and Look Campground. She expressed concern that Mr. Laboa, in particular, had been quoted in the press as saying he would do everything in his power to shut the campground down, which to her seemed a biased position.

"Will our input here make any type of impression?" Ms. Powers asked.

"This is about somebody operating a non-licensed business," Chairman Laboa said. "It's not about whether it's a good campground or bad campground. The town is focusing on litigation and ... the lack of a license. They're operating illegally."

Co-owner Janice Look piped up for the first time that evening, asking Mr. Laboa that if she didn't have a license to operate, then why had Regional Health Agent Karen Walega accepted and cashed her (permit fee) check?

"She cashed my check," Ms. Look said. "Check the law ... not Laboa's law."

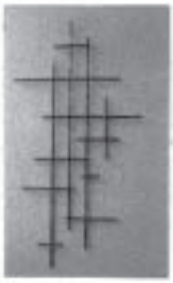

"If she gave you a check for a license for the campground, her returned check should be her receipt for

the license," agreed camper Chris Botelho.

"If I was a contractor who was going to build a house in town, I would have to get a (building) permit, (so) why didn't (Ms. Look) get the license saying she had permission to run the business?" added camper Dennis Monte.

"If you came in for a building permit, you wouldn't get (it) unless you met all the zoning by-laws in the town or city in which you want to build," clarified Town Counsel Blair Bailey. "When we filed this action seeking an injunction to shut (the campground) down, it was done so they would comply with the issues. It was made clear to the owners last year that unless (they) remedy all of these items, (they) cannot reopen next year. The permit fee was accepted. The intention of the Board of Health was to hold a hearing. The money is in the Board of Health's (account) ... the fact that the check was cashed has no legal bearing on whether they have a license or not."

Many of the campers — who attended the meeting with their children — expressed concern that Knight and Look Campground offers a safe, affordable family-oriented place to take their kids during the summer. If it is forced to close, they will likely have nowhere else to go.

Camper Armanda Arruda was one such camper who also wished to dispel the recent press accounts which she said portrayed the campground as unsafe. "If this campground was unsafe ... I would *not* bring my child into that campground," she said. "That's a family campground."

Chairman Laboa reiterated that as a town official, he just wants to see businesses in Rochester abide by the same laws. "The Town of Rochester is a business, it has to be run with rules and regulations," he said.

"They have inspected the pool, they've inspected the store ... they (only) had issues with the septic sys-

tems," Ms. Look said. "Why do we have to Title V something that has never failed?"

Chairman Laboa noted there is also the matter of the Recreation Center building which does not have a proper building permit on file and that the campground itself is only licensed for a maximum of 25 campsites — not the estimated 150 sites it is reported to have.

"You *never* set a limit," Ms. Look said, referring to her agreement with the town. "You didn't know that, did you?"

"We'll let the courts argue that one," Mr. Laboa said. "Last year when a lot of this stuff first arose, we made an agreement with the campground that if ... they came into compliance by this year, we'd let them operate through the remainder of 2003. When a town official is told that someone in the community 'just doesn't care,' we've got to do something. If the campground gets shut down, the fault is going to be with the owners for not being in compliance, not us."

As for the Rec Center, Building Inspector Robert Francis noted the proper paperwork has yet to be filed. "I

allowed the building to be used at the end of last year, but the paperwork needed to be done," he said. "It's still not done. I need the signature of a licensed contractor on the permit."

Several campers expressed anger over what they perceived as a "personal vendetta" against the owners, in particular Mr. Look who served prison time for second-degree murder after reportedly killing his first wife while cleaning a shotgun in 1974. They claimed the town officials and local media were being unfair to him even after having paid his debt to society.

But there were a few Rochester residents who sided with the town's concerns.

"I'm sure there are a lot of good people in there, but I've got a problem with the noise," said campground abutter Charles Cutler. "During the day I can expect (to hear) kids playing, but at night I need it quiet. Shouldn't there be a time when (people quiet down)? We didn't have this problem years ago."

"If you have a predisposition (to) think the people in Rochester don't want you here, you're wrong," added resident Ken Daggett. "I run a business in town. To me, as long as the rules and regulations are met, you're welcome here. No one here has a problem with you enjoying our town. All we're asking is that you comply with the law. I don't see a problem with that."

"We certainly acknowledge that there is a large group of people here in support of the campground," Chairman Laboa said. "Again, we are in litigation to get

the issues that the town has cleared up. We already ... cooperated with the owners of the campground by allowing them to operate illegally until they came into compliance for 2004. Cooperation and attitude goes a long way in trying to work with someone."

When accused of being unwilling to support the continued use of the property as a campground, Chairman Laboa bristled and said he was only responding to what he had been told of potential plans for the site — including the rumored purchase-and-sale agreement to sell the 33-acre property to developers.

"(The owners) have publicly expressed their interest to sell the property," Chairman Laboa said. "As far as I'm concerned, as long as they get into compliance with the issues at hand, they can operate the campground for another 100 years — I don't care. If they want to continue to operate a campground within the rules and regulations, that's fine."

In other matters, the board unanimously voted to appoint Chris Faustino to the Soil Board.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:10 pm.

Question: Why do I need a chimney cap?
Answer: A chimney cap is a protective covering for the top of your chimney. Caps help prevent rain/snow/leaves and animals from entering the chimney. They can also help minimize downdrafts. The screening helps to prevent the emission of sparks onto your roof and gutters. Deterioration of your firebox, liner and damper mechanism as a result of water entry may all be prevented by a chimney cap.

Whaleboat Races

At this year's **Independence Day Whaleboat Races at Summerfest in New Bedford**, 23 crews vied for the championship in five distinct classes: Men's Open, Women's Open, Co-Ed Open, Women's Youth and Women's Masters.

The winning crew in the **Men's Open Class, Abco Electric**, had placed third in the time trials on Saturday, behind the **Day Old Stud Muffins (DOSM)** and the **Buzzards**, and just fast enough to land them in the Division 1 Final. **Abco Electric** won the Final with a time 9:56.64, with the **Buzzards** in second place at 10:06.73 and the **DOSM** a close third with 10:09.77.

The winning crew in the **Women's Open class, Margaret's Oars**, had also placed third in the Time Trials on Saturday. **The Black Whale** crew sponsored by Elaine's Tee Shirts logged the fastest time of their class in Saturday's Time Trials; they would have been eligible to compete in the Master's class if they had chosen to, and

Letters to the Editor

To the Editor:

The SouthCoast Chapter of the Voice of the Faithful (VOTF) wants to take this opportunity to publicly thank the Mattapoisett Society of Friends for their hospitality. Because of the Friends' Outreach Program, VOTF was able to use the Friends' Meeting House for our monthly meetings. As "faith filled" Catholics, we are grateful to be able to meet in a place of acceptance and peace. The Meeting House setting made our prayerful meetings even more meaningful. The situation being what it is, we mostly likely will need the Friends' facilities again when we resume our meetings in the fall. Friends, thank you again from the bottom of our hearts for your kindness and hospitality.

Sincerely,
Ann Bruno and Robert Gormley
SouthCoast Chapter of VOTF

We cannot publish anonymous, unsigned or unconfirmed submissions.* The Wanderer *reserves the right to edit, condense, and otherwise alter submissions for purposes of clarity and/or spacing considerations.* The Wanderer *also reserves the right to deny publication of any submitted correspondence.*

Mattapoisett Skate Park

The Mattapoisett Skate Park is still under construction and currently closed to skating. Although the ramps are in place, the concrete transitions have to be poured and set properly. They are relying on the generosity of a concrete company that has been donating the concrete to the project. They are also grateful for the time donated by Michael, Jodie and Garrett Bauer. The Bauer family has been spreading the concrete and designing the transitions. The pouring of the concrete is dependent upon good weather. Additionally, the safety fencing has to be installed, the signs need to be posted, and the insurance company needs to inspect the work and give their approval.

The project is short funds and the committee has reopened their fundraising efforts to pay for the cost of the ramps. Approximately $88,000 was spent to prepare the earth, drainage, pave, fence off the perimeter and landscape. Supporting documents have been submitted to the town by J.B. Lanagan, Inc.

The park is almost complete and expected to be open to the public in early August. The committee appreciates the continued support they've received from the Board of Selectmen, the skaters, and the residents.

If you would like to make a donation to help pay for the ramps and related installation costs, feel free to send a check payable to the Mattapoisett Skate Park Fund, P.O. Box 436, Mattapoisett, MA 02739. Donations can also be dropped off at the Mattapoisett Police Station. Any questions should be directed to Police Chief Mary Lyons at 508-758-4141.

Postcards and Ports

Two recent publications — *Postcard Memories of Mattapoisett* and *Ports of Old Rochester* — will be available for purchase at the Mattapoisett Historical Society booth at Harbor Days this weekend on July 17 and 18, as well as at the Museum Carriage House, 5 Church Street in Mattapoisett.

Postcard Memories of Mattapoisett includes some 240 vintage postcard scenes of Mattapoisett from the late 1890s to the 1950s. Each postcard view includes a descriptive paragraph. The book is available in two editions — a softcover edition at $28 and a hardcover edition at $50.

Ports of Old Rochester is a history of shipbuilding at Mattapoisett and Marion. This book was begun by Edward F.R. Wood Jr., a summer resident of Mattapoisett (also author of *Mattapoisett: A Summer Portrait*). Unfortunately, Mr. Wood passed away before the book was completed. Judy Lund, former Curator of the New Bedford Whaling Museum, finished the book which has been published by the Whaling Museum. This book is also available at the Mattapoisett Museum as well as at the Harbor Days booth (price $42).

Society, 5 Church Street in Mattapoisett. Children, ages 6-12, are invited to come explore what it was like to be a child in the 1800s by participating in several stations and events. Children will wash a dirty piece of their clothing on a washboard and dry it the old-fashioned way. They will play with hoops, make an ornament using the tinsmithing technique, an create an 1800s toy to take home. Some of the tools and gadgets used in the 1800s will be demonstrated. How did they take off their boots? How did they grind coffee? What is a sock darner? Come and find out! There is no admission fee for this program, but registration is a must since space is limited. Please call 508-758-2844 to register.

Marion Turning Point

Turning Point will hold its first fund raising event on Saturday, July 17, from 5:00 to 9:00 pm. Senators, State Representatives, area business owners and concerned citizens have all been invited to attend "A Nautical Night" of music and dancing in the private setting of Piney Point in Marion. poor, working poor, and those in emergency in our area beginning in 2000. They became aware that some of these people visiting them for meals were actually homeless. They knew them, fed them, then sent them out into the woods or their cars. After the effort to end hunger, came the battle to end homelessness. Many of these people were in hotels temporarily, whole families crowded into little rooms without cooking facilities. Many were handicapped and without jobs. They needed wise friends who could help them access services offered locally and state wide, as well as finding jobs, medical services and shelter. Many needed counseling to resolve issues that lead to homelessness.

Another highlights: the ever-popular Plants and Vegetables Table located at the church steps where you can buy flowers and vegetables for your garden, or fresh vegetables for the family meal; treasures including a large selection of books, used videos, DVDs, CDs, and cassettes; the White Elephant Tables; the Fine Gifts and Furnishings table, which make excellent gifts, or add a touch of grace to your home; or the Silent Auction table, where you can find true gems for the sharp shopper. These items do not necessarily have to be expensive, but they may have a particular curb appeal that is unusual. Among the items are beautiful antiques or usual items for your home.

Also this year will offer Sports, Automotive, and Camping Equipment, in addition to golf and sailing items that may be found at the Sporting Goods Table. Small children are certainly not overlooked at the church fair, either. There are crafts and games for children of all ages at the Children's Corner just outside the gates on the north side of the church on Main Street.

The fair is an annual event and the congregation is all caught up in the magic and hard work of this very important event. Be sure to join them with the entire family for a most special day on Saturday, July 31.

Rochester Taxes Due

Rochester Tax Collector Thomas Gayoski would like to inform taxpayers that under the provisions of Massachusetts General Laws, Chapter 58, Section 8, he is bonded to the Town of Rochester to collect all taxes committed to him by the Board of Assessors. Those who have failed to complete their 2004 payments with all related interest, charges and fees by July 16, 2004 will be subject to a taking or sale by publication. Partial payments may be made on these taxes at any time, but the entire balance must be paid by July 16, 2004. After that date, taxpayers will be not only responsible for the balance and interest owed, but also a $75 recording fee, a $75 disclaim fee, and all advertising costs totaling upwards of $200 or more. For more information, please contact the Rochester Tax Collector's office.

Gospel Quartet in Rochester

Do you enjoy good Gospel music? Does a free concert sound appealing? If so, you'll enjoy an evening of Gospel music sponsored by The First Congregational Church of Rochester at 7:00 pm on Saturday evening, July 17. Music will be provided by the Mansion Heirs Gospel Quartet, the gospel trio "Know Greater Love," and Warren Whiting.

Based in Wareham, the Mansion Heirs have a worshipful approach to gospel music, singing traditional hymns as well as southern-style gospel songs. The current quartet carries on a 25-year tradition of recording and touring in New England, playing in venues ranging from churches to coffee houses to concert halls. They will be joined by the group "Know Greater Love," which includes former Mansion Heirs performers, family and friends. Also performing with the groups will be Mr. Warren Whiting, pianist, organist, and choir director.

If you've heard these fine musicians, you'll want to attend. If you haven't, plan to come and see what you've missed. You'll be blessed. There is no admission charge, but a freewill offering will be taken for the musicians.

The First Congregational Church of Rochester is a Christ-centered, Bible-believing fellowship located on the green in the center of town where all will feel welcomed by a friendly, caring congregation.

During the summer, Sunday worship is held at 9:30 am led by Pastor Leo D. Christian. Nursery is provided and the church is wheelchair-accessible. Bible studies, open to all, are held during the week. For more information, please contact the church office at 508-763-4314.

Rochester Historical Society

Museum Opening

The Rochester Historical Society has opened its museum, the East Rochester Church. The church was built in 1857 and is a perfect example of country charm — including the accompanying outhouse! Like most churches of its era, it is surrounded on two sides by a peaceful cemetery ... maybe you've got an ancestor resting there.

The gift area includes maps, books, reprints of old postcards, Rochester t-shirts, sweatshirts, denim shirts, and baseball caps all with a designer Rochester logo. The museum is located at 355 County Road and is open 1:00 to 3:00 pm every Sunday until Labor Day. Stop by and visit the church, chat with the volunteer staff, have a cold drink and munch on some goodies.

RHS Raffle

The Rochester Historical Society is having a Raffle featuring the following prizes: Paint One Room by Tom Parker; Hartley Sawmill print by Otis Tripp; and Adirondack Chair by Henry Hartley. Tickets are $1 each or six for $5 with a drawing to be held at the Rochester Country Fair on August 21. Tickets can be purchased from any RHS member, on Sunday afternoons at the museum, or by calling Betty Beaulieu at 508-763-2724.

T-Shirts and Hats

The Rochester Historical Society's embroidered t-shirts and hats in all the new spring colors have arrived. They are available at Bev Loves Books at the Plumb Corner Mall in Rochester. Be sure to check them out. Also, you can still get the jean shirts for men and women and sweatshirts in a variety of colors. All of the shirts would make nice gifts.

Something Old

The Plumb Memorial Library is the unofficial site for RHS memorabilia. Be sure to stop by and pick up a map of Rochester (1704, 1797 and 1854), postcards, throws, and books on interesting Rochester history.

Preservation is serious business and no one takes the business of preserving more seriously than the Rochester Historical Society. So when you come across anything Rochester-related — from a receipt for town taxes to a journal by great-grandma — please give their

***Anchorman: The Legend of Ron Burgundy*. Starring Will Farrell and Christina Applegate. Directed by Adam McKay. Running time: 91 minutes. MPAA rating: PG-13.**

The best comedies tend to happen when an inspired comedian takes pen to paper and follows an obsession. Steve Martin did it with *L.A. Story*, Dan Aykroyd with *Ghostbusters*, and Mike Myers with *Austin Powers*. These films feel as if they *needed* to happen — as though they'd been nagging their creators for years, from the moment Aykroyd first got interested in the paranormal or Myers saw his first Carnaby Street movie. Will Farrell must have fond memories of the blowhard news anchormen he saw in his childhood, because he and director Adam McKay have crafted an affectionate backhanded tribute to deluded '70s machismo in *Anchorman* — a movie generally without the delirious comic heights of the aforementioned classics, but still a detailed and bizarrely specific portrait.

Ron Burgundy (Ferrell), an awesomely self-satisfied San Diego anchor, seems to have been born just at the right time to enjoy what's left of white male privilege in the '70s (his coif and mustache certainly wouldn't fly in any other decade). He lives the life of a swinger and a rock star, lovingly tended by his news team (ladies' man Paul Rudd, crude hee-hawing David Koechner, and serenely oblivious Steve Carell). Yet this alpha male is also a lonely man, with only his beloved dog Baxter warming the other side of his bed. Like Austin Powers, Ron talks the ladykiller talk far better than he walks the walk. His life is disrupted, for better and worse, when the ambitious Veronica Corningstone (Christina Applegate) arrives at Ron's news station with an eye on the co-anchor position. Ron has other positions in mind.

Some of *Anchorman* is the kind of giddy, nonsensical stuff that can only emerge from a genuinely deranged comic brain. *The Daily Show*'s Steve Carell, who scored the biggest laughs in *Bruce Almighty*, scores again here with each cheerfully surreal statement. There's a street rumble between several competing news teams that seems to be there just to show off a bunch of cameos, some of which haven't been spoiled in the trailer — the only one conspicuously missing here is Owen Wilson. And there's another first-rate cameo in a scene wherein poor Baxter is endangered. I wished for a bit more comic lunacy, though. When it's established that Ron will read *anything* that appears on his TelePrompTer, the movie doesn't do nearly enough with that premise — Mike Myers would've taken that and run giggling with it.

Still, it's an affable enough comedy (though not quite the side-splitter some Internet critics are hyping it as), with a well-judged soundtrack of '70s chestnuts — the news team's impromptu rendition of "Afternoon Delight" is the best use of that inanely libidinous ditty I've seen since *The Rules of Attraction*. Will Farrell steps firmly into the so-retro-they're-stylin' shoes of Ron Burgundy, selling the character with a kind of manic throwback integrity. Ron doesn't know how foolish he is, and that's the joke, but Ferrell also gives him an added consciousness — somehow, Ron senses, there must be more to life than pool parties and high ratings. "This is the same party we've had for the last ten years! Which is in no way depressing!" laughs Ron over a Scotch. In some corner of his mind, Ron is ready for his own era to end; he's ready for the Veronica Corningstones to come in and share the party. So is Veronica, played by Christina Applegate with the same hey-I-*didn't*-peak-in-the-'90s avidity she showed in *The Sweetest Thing*. Ferrell, in handing her a major role in what's sure to be a summer hit, proves a keen judge of undertapped talent.

There's no real way to tell if this is true or just the sportive cast and crew putting us on, but one of the more interesting factoids bandied about in the *Anchorman* press junkets is that so much material was filmed that they've got enough footage for an entire second movie just from the outtakes. (This would explain why so much of what's in the trailer isn't in the movie.) The plan, they say, is to put out a 2-disc DVD with this "second movie," *Wake Up, Ron Burgundy*, included as an extra. Maybe Owen Wilson will show up there.

SALOME'S STARS

ARIES (March 21 to April 19) Your Aries leadership qualities can help bring order out of all that confusion, whether it's on the job or in the home. But be careful to guide, not goad, others into following you.

TAURUS (April 20 to May 20) Applying a more personal view to a job-linked issue could help provide better insight into those persistent problems. Use your keen Taurean logic to cut through the double-talk.

GEMINI (May 21 to June 20) Taking some time off could be the best way to get through that seemingly endless round of demands. You'll return refreshed and ready to tackle things from a new perspective.

CANCER (June 21 to July 22) Restoring a sagging professional relationship takes a lot of effort. By all means, state your position. But also make sure you pay close attention to the other person's point of view.

LEO (July 23 to August 22) A hot prospect intrigues the Big Cat, who is always on the prowl for a promising investment. But be careful that this "promise" has a chance of being kept. Check it out more carefully.

VIRGO (August 23 to September 22) A friend could use some of your compassion and concern. If he or she doesn't ask for help, be sure you step up and make the first move. Also, check out a new career possibility.

LIBRA (September 23 to October 22) You might have difficulty getting your opinions heard because of all the noise being made by the other side. But hang in there. Others should line up with you once they learn the facts.

SCORPIO (October 23 to November 21) Offering to help a colleague is commendable. But before you commit your time and effort, check to see if that person's situation is all that he or she has led you to believe it is.

SAGITTARIUS (November 22 to December 21) You should soon be seeing positive results from your recent efforts on behalf of a family member. On another matter, check that you have all the facts regarding a job assignment.

CAPRICORN (December 22 to January 19) Your aspects favor closer family relationships this week. Take time for visits, whether in person, by phone, by mail or in cyberspace. Let them know how important they are to you.

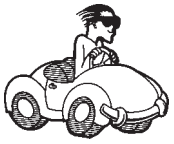

AQUARIUS (January 20 to February 18) A missed opportunity isn't always a negative. Maybe your instincts are telling you not to rush into something you "thought" was worthwhile. Make time for family this weekend.

PISCES (February 19 to March 20) Your sense of humor helps you get through a tricky situation. But some stick-in-the-muds might not be so willing to make the changes that you and others agree are necessary.

BORN THIS WEEK: You have a gift for making everyone you know — or even just met — feel important and welcome in your life.

Melville Birthday Lecture

Celebrate author Herman Melville's birthday by attending a free lecture at 8:00 pm on Thursday, July 29 at the New Bedford Whaling Museum.

Samuel Otter will present "Moby-Dick, September 11 and the World We Live In." Mr. Otter is an associate professor of English at the University of California, Berkeley. He is the author of *Melville's Anatomies* (1999). He is part of the Melville Society Cultural Project team that is co-sponsoring "Frederick Douglass and Herman Melville," an international conference in New Bedford in June 2005, on the occasion of the 150th anniversaries of *My Bondage and My Freedom* and *Benito Cereno*.

Currently, Mr. Otter is working on a book titled *Philadelphia Stories*, which is about character, manners, race, violence, and citizenship between the Constitution and the Civil War. He is fascinated by the persistent, reflective, intimate, and almost scriptural turn by critics and readers to *Moby-Dick* at times of political crisis and, particularly, in the aftermath of the September 11 attacks — a response that is the subject of this presentation.

The New Bedford Whaling Museum is located at 18 Johnny Cake Hill in New Bedford. The Museum is open daily from 9:00 am to 5:00 pm, and until 9:00 pm Thursdays in the summer. Admission is free for members and children under 6, $10 for adults, $9 for student and seniors 59+, and $6 for children ages 6-14. For a complete calendar of events, visit the Museum on the web at **www.whalingmuseum.org**.

Marion Art Center

Sondheim Show

Two pianos have been moved on to the stage, side by side, at the Marion Art Center. Rehearsals are underway for the upcoming summer cabaret musical theater production of "Side by Side by Sondheim" opening on Friday, July 16 and playing Thursdays, Fridays and Saturdays during the month of July. Curtain time is at 8:00 pm.

The show is directed by Paul Sardinha who will also be performing along with Melissa Andronico, Jordan Butterfield, Mary Cardwell, Sheila Furtado, Ryan Mitcheson and Anne Schenck. The two pianos will be played by Nancy Sparklin and Stephen Hemingway.

This is a rare opportunity for audiences to see Paul on stage. He is usually behind the scenes directing, accompanying, creating scenery, choreographing and generally encouraging performers at Old Rochester Regional High School, Bishop Stang High School, and other theater groups in the SouthCoast area. This is his twentieth production at the Marion Art Center! He is truly *The Music Man!*

Reservations are recommended for individual seating or tables for parties of four or more. Tickets are $15 for Marion Art Center members and $20 for general admission. Please call 508-748-1266 for reservations or more information.
